

12 North Recreation Volleyball Rules 2019

ANYONE caught bringing in alcohol onto 12 North property (parking lot or out back) will be ejected from the league....All drinks purchased must be consumed within gates or on the deck.

GAMES

- Serving and receiving teams are determined by volley for serve. Teams alternate serving for the next game.
- Score will be kept by rally score. Both serving and receiving teams can win a point each time a point is played, regardless of who is serving. When a team serves, the rally begins. Once a team commits an infraction or the ball hits the floor, the rally is over. If the team that served the ball wins the rally and gets a point, they continue to serve, whereas if the receiving teams wins the point, their lineup rotates and they serve.
- If the ball skims the net on a serve and it goes over, it is a live ball for play. If it is served and returns on the served side, it is the other teams point and the serve will be given to the other team.
- There is a max of 10 people per roster. Max is 6 on the court at one time, must follow gender rules, can have as few as 4 on the court.
- 6 players: 4 of one sex, 2 of another. 5 players : 4 of one sex, 1 of another. 4 players : 3 of one sex, 1 of another.
- Each team is allowed two 30 second time-outs per game.
- Teams are allowed 15 minutes after the intended start before a forfeit occurs on the first set. Does not apply to a team if they are playing a previous game on another court. Other 2 sets can still be played thru if a forfeit occurs on the first set.
- Fouls are called on the following:
 - ~ touching the net
 - ~ more than three passes
 - ~ interfering with the opposing players
 - ~ attacking the serve
 - ~ no "carrying" the ball

REFEREE

- Referees must have 2 people show for EACH game (both courts if determined on the schedule).... please no distractions or talking on cell phones during matches.
- Failure to show to referee your scheduled games will result in loss of three wins and points in regular season standing. Does not apply to if the team that is scheduled is still playing their own game on the other court.

GENERAL

- A person is allowed on 1 roster per league per night (can be on a rec and comp)
Players must be 21 and over
- Roster is finalized online by team captain after 9 weeks into the season
- For end of season standings, ties are determined by number of wins, then number of total points scored, then head to head wins.
- Overall year end tournament will be held with top 3 teams best record overall season for each night.
